

# CLEANERS & POLISH

## AVL AIRCRAFT WASH

AVL Aircraft Wash is a user friendly all purpose cleaner which can be used for interior and exterior aircraft cleaning. The product is non-toxic, non-flammable and has virtually no odor. It gives a high gloss finish on aircraft exteriors and a satin gloss on the interior. Thanks to the water repellency ingredient, the exterior surfaces will dry quickly and streak free. Should the product dry on the aircraft surface, it will leave no white streaks or stains. Any residue can be rinsed off. It may be used for manual and machine cleaning of an aircraft. It is very effective as a cleaner for wheels, brakes and especially exhaust from an APU. Available in Gallons or Quarts.

SIZE	PART NUMBER	PRICE
QUART	ACWQT	7.50
GALLON	ACWGL	19.95

## AIRCRAFT & METAL CLEANER

SC-AIRCRAFT & Metal Cleaner Concentrate is an advanced non-ionic surfactant system especially formulated for use on non-ferrous, soft metal surfaces such as aluminum. SC-AIRCRAFT & Metal Cleaner causes long chain hydrocarbon soils such as JA or JP fuels, gear lubricants, cutting fluids and other soils, to release from the surface so that they can be rinsed away with water. SC-AIRCRAFT & Metal Cleaner is non-toxic, readily biodegradable.

## PRESTIGE PROTECTIVE POLISH PPC

Unique liquid polish that bonds a tough, glossy, semipermanent clear reflective coating onto any hard non-porous surface. Prestige is a carefully formulated combination of concentrated cleaning agents, specially developed polishing ingredients and catalyzed weather-resistant, UV-absorbing sealants which give it outstanding durability and distinctive brilliance. Does not crack, peel, yellow and withstands temperature extremes of -60 degree to 400 degree F. Bugs, tar and other contaminants wipe or wash off easily. In the home, use as directed, on windows, mirrors, sinks countertops to resist fingerprints, water spotting, dirt accumulation. Save time and labor while adding beauty.

## PERFECT DETAIL PPC

Perfect Detail is the nation's leading choice for producing "wet look" shine. A light mist instantly produces maximum depth of gloss and flawless glassy brilliance on clearcoat, black and all other paint finishes. Detail cleans, shines, protects without silicone or wax. Can be used in full, hot sun even on black. Hides hairline scratches and "cobwebbing" better than any competitive product. Lifts dust, dirt, and bug splatter from vehicle's finish. One bottle details 6-12 cars, perfect "dry wash" substitute. Great engine detailer- no powdery residue. Anti static and scratch resistant, surface stays clean longer and resists surface abrasion. Resists fingerprints, water spots, bug splatters, bird droppings, tar, brake dust. Nontoxic, contains no petroleum distillates.

SIZE	PART NUMBER	PRICE
20 OZ SPRAY BOTTLE	PD	9.99
GALLON BOTTLE	PD-G	40.00

## EASY ALUMINUM POLISH

Easy aluminum polish is a unique liquid formula that produces a "mirror like" shine in seconds on smooth aluminum, magnesium, stainless, brass, and nickel. Its ability to melt oxidation and simultaneously bring up the metal's true brilliance can't be matched by any other polish. Removes discoloration, water spots, without harsh abrasive, acids or ammonia. Protects with acrylic polymer barrier that resists hazing and water spotting. Polishes and protects clearcoat, also works on paint and plastics. Easier, faster, shinier than any other polish.

SIZE	PART NUMBER	PRICE
8 OZ BOTTLE	EAP	10.99

## FORMULA 2 CLEANER PROTECTANT PCP

Formula 2 Cleaner protectant is a chemically unique multipurpose liquid which thoroughly cleans, beautifies and; protects all leather, rubber, vinyl and finished wood products in one easy step with no greasy film. Cleans, softens and protects, but does not harden leather or vinyl and can't crack rubber. Antistatic finish can't attract dust. Tires cannot turn brown. Restores color and luster to add beauty and value. Long term protection prevents weathering and rot.

SIZE	PART NUMBER	PRICE
18 OZ SPRAY BOTTLE	PCP	8.91
GALLON BOTTLE	PCP-G	48.00

## NEVER DULL

Chemically impregnated cotton wadding manufactured under a special process. Acts both as a solvent and mechanical cleaner. Removes corrosion, carbon exhaust marks, wax, tar, grease, rain marks, grit, any petroleum product. Also removes deposits around rivets and along skin joints. Only one application and then wipe clean; no severe rubbing; no wax operation necessary. Leaves a protective glossy film on aluminum and other metal surfaces. 2 lbs. per can.
