GIFT CERTIFICATE

What to give for the person in your life that has it ALL? - A Gift certificate is an easy way to give someone special exactly what they are wanting or needing here at Wicks Aircraft. Simply order the "AMOUNT" of dollars you want to spend and we can mail a gift certificate to you or the receiver. Specify whoe the certificate is to be written out to and the exact dollar amount and what address you want it sent too in the Special Instructions Box and the shipping instructions boxes. Please call and ask for Betty Hoorman if you have any questions.

PipeMaster

The Welder's Tool for Contour Fits

**Here's Why PipeMaster Tools Are The Right
Choice to Get Your Job Done - Fast!**

- Lay out complicated tube joints in seconds!
- They're simple to use (just press, transfer, and trace)!
- They're extremely accurate (good fits mean good welds)!
- Save time (eliminate recutting and grinding)!
- Eliminate wasted material!

SAF-AIR

Aviation Products

SAF-AIR Products has been supplying quality aviation fuel and oil drain valves since 1959. We continue to design and test new valves, as well as improving on our existing products. SAF-AIR Products has a wide range of valves to meet all of your specific applications. Our valves are unique to the industry, in that the o-rings can be replaced instead of buying a new valve.

**QUALITY FUEL AND OIL
DRAIN VALVES SINCE 1959**
